## The Freedom of Choice

You can now choose your favorite single-use instruments and place them in an EasySet tray.

\*CE mark pending

# The choice is yours

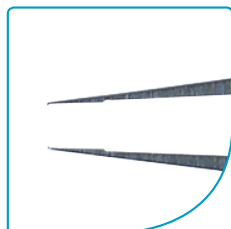

You have the freedom of choice with the introduction of the new range of stainless steel single-use instruments, One® Steel.

Whatever your preference, by choosing Moria, you can be guaranteed a:

- **Perfect adjustment** of capsulorhexis for a good grasping force
- Very **good finishing** with delicate tips
- **Reproducibility** for total confidence in each surgery

**Bonn forceps**  
(Straight)

**Tying forceps**  
(Curved & Straight)

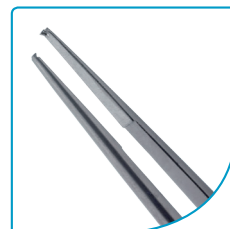

**Capsulorhexis forceps**  
(Curved & Vertical Tip)

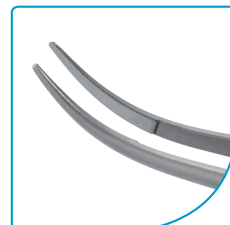

**Capsulorhexis forceps**  
(Window & Forward Tip)

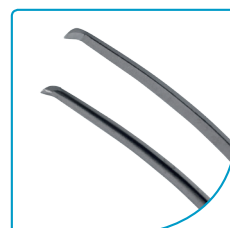

New  
one® steel

**Bonn forceps**  
(Straight & Angled)

**Tying forceps**  
(Curved & Angled)

**Capsulorhexis forceps**  
(Curved & Angled)

Both product range, One® and One® Steel are available in stand alone, but can also be inserted in a customized EasySet.

# Simplicity at your finger tips

The new **Moria EasySet for cataract surgery** allows you to organize single-use instruments in a tray, in accordance with your preferred technique.

Because Moria wishes to **make your life easier**, you can select instruments from both the One® range and One® Steel range. We will organize the tray for you.

New instruments are used for each surgery in order to get **optimal results**.
